

FOR LEAGUE MEMBERS ONLY!!

Team name: Bodies of Water (said in a creepy walking dead voice):

Why? 10,000 Lakes! The natural beauty of lakes but with a twist- so many shipwrecks in MN lakes.

Vibes: Zombies are creepy. Take inspiration from the tiktoker @geodesaurus and her Spooky lake content that is informative and scary while being entertaining.

Spooky vibes, campy horror movie themes would be fun too.

Things to avoid: Racist horror movie tropes, actual drownings do happen-avoid that imagery

Team name: Maul Rats

Why? Mall-themed bc MN invented the indoor heated mall

Vibes: Nostalgic mall aesthetic (ala Stranger Things) is very in. Options for many bright colors, big hair (don't care) and all things 80's. Zubaz were also invented in MN and sold at many mall kiosks. Lots of fun graphics and goofiness possible.

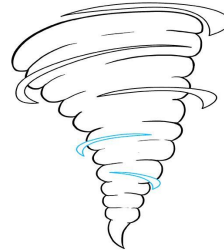

Name: Wednesday Warnings

Why?: Minnesota tests the tornado sirens on the first Wednesday of the month during the spring and summer

Vibes: Chaotic (tornados/tornado sirens) Good (sirens/the emergency system saves lives). This is a test of the emergency system. This is only a test (Siren/Screaming) Fan section could be called Tornado Alley

Things to avoid: Mythological sirens which are gendered

Team name: Roller Vortex

Why? Wintery themes MN is known for. Weather theme connection to Frostbite and Windchill creates a more unified image for the greater league. We have made national news for our cold temps. Fun fact- vortex refers to the counterclockwise flow of air that keeps the poles cold.

Vibes: Think of friendly frozen tussles. Lots of ice, snowballs, snowball fights. OR Tuff bruts of people, strong, brick walls to pass through. Jammers could get out of the "snow pack".

Things to avoid: Using the term white out, or "snowflake"
